COMPLETION GUIDELINES AND VALIDATION RULES

Notes:

1. (a) A shareholder present in person or by proxy has one vote for every share he holds.
- (b) A shareholder who is entitled to more than one vote does not have to use all his votes, or to cast all his votes in the same way.
- (c) If a shareholder only indicates his intention to vote "FOR" or "AGAINST" a resolution by marking a tick (✓) without writing the number of votes being cast in the relevant box, he will be deemed to have used all the votes he is entitled to cast.

Example of valid votes

RESOLUTIONS	FOR	AGAINST
3(I). To elect [candidate] as Director.	✓	

OR

RESOLUTIONS	FOR	AGAINST
3(I). To elect [candidate] as Director.		✓

- (d) If a shareholder wishes to use less than all his votes, or to cast some of his votes "FOR" and some of his votes "AGAINST" a particular resolution, he must write the number of votes in the relevant box(es).

Example of valid votes

Suppose the shareholder has 8,000 shares in the company:

RESOLUTIONS	FOR	AGAINST
3(I). To elect [candidate] as Director	6,800	
3(II). To elect [candidate] as Director		1,000

OR

RESOLUTIONS	FOR	AGAINST
3(I). To elect [candidate] as Director	6,000	2,000

- (e) If the total number of votes "FOR" **and** "AGAINST" the same resolution exceeds the total number of votes which a shareholder may cast on that one resolution, his votes on that resolution will be **void** and will **not** be counted.

Example of void votes

Suppose the shareholder has 8,000 shares in the company:

RESOLUTIONS	FOR	AGAINST
3(I). To elect [candidate] as Director	✓	✓
3(II). To elect [candidate] as Director	8,000	8,000
4. To re-appoint PricewaterhouseCoopers as Auditors of HKEx and ...	4,000	5,000

- (f) If the number of votes "FOR" or "AGAINST" one resolution exceeds the total number of votes which a shareholder may cast on that one resolution, he will be deemed to have used all the votes he is entitled to cast.
 - (g) If a shareholder does not initial against any alteration he makes on the number of votes he may cast on a resolution, his votes on that resolution will be void and will not be counted.
2. (a) If there is no signature on a poll voting slip, the votes on all resolutions on that poll voting slip will be void and will not be counted.
- (b) In the case of joint registered holders of any shares, any one of such persons may vote at the meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto; but if more than one of such joint holders are present at the meeting personally or by proxy, that one of the said persons so present whose name stands first on the register of members of HKEx in respect of such share shall alone be entitled to vote in respect thereof.
3. HKEx reserves the right to treat a poll voting slip which has been incorrectly completed in some manner which (at its absolute discretion) is not material as being valid.
4. There will be two elected director vacancies to be filled at the AGM. In the case if there are more than two candidates standing for election, then in order to select which two candidates will be elected Directors, the resolutions themselves contain a method of determining support for a candidate. Each resolution for the appointment of Director to be proposed at the AGM will provide as follows:

"**THAT** subject to the number of net votes cast in relation to this resolution (net votes being votes cast in favour minus votes cast against this resolution) being among the two highest number of net votes cast on each of the resolutions for the appointment of a person as a director of the Company at the annual general meeting to be held on 26 April 2006 (the "2006 AGM") or on the date of its adjournment (where applicable), [name of candidate] be and is hereby appointed as a director of the Company with effect from the conclusion of the 2006 AGM for a term of approximately three years expiring at the conclusion of the Company's annual general meeting to be held in 2009, provided that if any two or more of such resolutions record the same number of net votes (the "tied resolutions"), the ranking of the tied resolutions from highest to lowest number of net votes shall be determined by the drawing of lots by the chairman of the meeting."
