### Compliance with Corporate Governance Code

Throughout the year 2019, HKEX complied with all code provisions and, where appropriate, adopted the recommended best practices set out in the Corporate Governance Code, with the following exceptions:

**Code Provision A.4.1 (Re-election of non-executive directors)**

The Government Appointed Directors, all being Non-executive Directors, are not subject to election or re-election by Shareholders as their appointments are governed by the SFO.

**Code Provision A.4.2 (Retirement by rotation of directors)**

The Chief Executive in his capacity as a Director is not subject to retirement by rotation, as his term on the Board is coterminous with his employment with HKEX under HKEX’s Articles.
HKEX has applied the principles of the Corporate Governance Code to its corporate governance structure and practices as described in this report and on the HKEX Group website CG/IR/ORG. A checklist detailing HKEX’s compliance with the Corporate Governance Code is available on the HKEX Group website CG. The Board has delegated its corporate governance functions to the Nomination and Governance Committee. A summary of the work of the Committee in 2019/2020 is set out in the Nomination and Governance Committee Report.

Strategic Planning
HKEX has a rigorous and continuing strategic planning process to identify and assess the opportunities and challenges that the Group might face and to develop a planned course of action for the Group to generate sustainable long-term value for Shareholders.

In February 2019, HKEX published its three-year Strategic Plan 2019-2021, which is available on the HKEX Group website (About HKEX section). Two offsite strategic meetings were held in 2019 to review the achievements under the plan, and discuss and explore potential strategic moves. The accomplishments achieved during the year are reported in the Chief Executive’s Review and Business Review sections of this Annual Report.

The Board
Board Composition
The Board’s structure is governed by HKEX’s Articles and the SFO. The Board has an appropriate mix of skills, experience and diversity that are relevant to HKEX’s strategy, governance and business and underpin its effectiveness and efficiency. Its approach to achieving diversity is set out in the Board Diversity Policy, which is available on the HKEX Group website CG.

¹ As at 31 December 2019
² Directorships held at companies within the same group are considered to be one single directorship.
The names of the Directors in office during 2019 and brief biographies of the current Directors are included, respectively, in the Board and Committees section and the Board of Directors and Senior Management section of this Annual Report.

Under HKEX’s Articles, the term of office of Non-executive Directors is not more than three years (subject to re-appointment or re-election), although each Government Appointed Director is normally appointed for a term of approximately two years. Staggered terms of service enable the Board to have a good balance of experienced and new Directors. The average tenure of the current Directors as of the date of this report is 5.3 years. A casual vacancy for a Government Appointed Director arose on the Board due to the passing of Mary Ma in August 2019. The service term of Laura M Cha and Benjamin Hung (Government Appointed Directors), and C H Cheah and Hugo Leung (Elected Director) will expire at the conclusion of the 2020 AGM. On 21 February 2020, the Government appointed Susan Chow and re-appointed Laura M Cha and Benjamin Hung as members of the Board, each for a term of approximately two years from the conclusion of the 2020 AGM until the end of the AGM to be held in 2022. On 26 February 2020, the Board accepted the nomination by the Nomination and Governance Committee and recommended C H Cheah and Hugo Leung to stand for re-election at the 2020 AGM.

Information about the Board Diversity Policy and the Nomination Policy along with the results of the review of the Board’s composition, the nomination of Board candidates and the assessment of INEDs’ independence during 2019/2020 are set out in the Nomination and Governance Committee Report.
Roles and Responsibilities

Good governance emanates from an effective and accountable board. At HKEX, the Board directly, and indirectly through its committees, leads and provides direction to management by laying down strategies and overseeing their implementation by management. The Board monitors the Group’s operating and financial performance, reviews the Group’s compensation policies and succession planning, and ensures that effective governance and CSR policies and sound internal control and risk management systems are in place. The Board operates under defined terms of reference which set out matters specifically reserved for its decision. The terms of reference are available on the HKEX Group website ORG.

For effective oversight and leadership, the Board regularly reviews reports from the Chief Executive and senior executives on the progress of the approved strategies, plans and budgets, and receives updates/advice from the Board committees, external market/industry experts and management on the Group’s governance, business performance and development. In light of the increasingly competitive and complex global environment, the International Advisory Council was established in February 2019 to provide the Board with expert insight and perspective. Further details relating to the Board committees, the International Advisory Council, the Consultative Panels and HKEX’s management functions are set out in the Board Delegation section below.

Board Effectiveness

The Board recognises that conducting regular evaluation of its performance is essential to good corporate governance and Board effectiveness. In 2019, the Board engaged an independent external consultant to evaluate the performance of the boards and key governance committees of HKEX and its two subsidiaries, the LME and LME Clear.

The evaluation drew from four sources of information: (1) questionnaire responses from directors and executives who work closely with the boards and their governance committees; (2) review of key governance documents and selected board papers and minutes; (3) interviews with the directors and selected executives; and (4) observations of board and committee meetings. The scope of the evaluation focused on four aspects of the boards’ operations: operating framework, membership, group performance, and interactions with the institution.

The evaluation concluded that all three boards, the Board, the LME Board and the LME Clear Board, are effective. In particular, the Board’s practices are compliant with the Corporate Governance Code, and the Board operates effectively in its governance of HKEX. The evaluation also noted that the Board has made material progress with respect to all of the aspects highlighted in the prior independent evaluation in 2017. On a forward-looking basis, three areas were identified to be deserving of the Board’s continued attention as HKEX’s strategic needs evolve:

- Continuing to evolve the skillsets of the Board members to reflect the continual evolution in the HKEX Group’s business
- Ongoing focus on effective risk management, with a careful consideration of the balance between risk types
- Balancing the roles of the parent and subsidiary boards to ensure limited duplication

Finally, the evaluation also concluded that the performance of the LME Board and the LME Clear Board was in compliance with the applicable laws and governance codes; and acknowledged the steps taken by both boards to continue enhancing their effectiveness in line with international best practices. The findings and recommendations from the evaluation were presented to the Board in December 2019.
Chairman and Chief Executive

The roles of the Chairman and the Chief Executive at HKEX are complementary, but importantly, they are distinct and separate with a clear and well established division of responsibilities. Details of their respective roles and responsibilities are available on the HKEX Group website [CG].

Key Responsibilities of the Chairman and the Chief Executive

- **Laura M Cha**
  - Chairman (INED)
  - Provides leadership to the Board
  - Monitors Board effectiveness
  - Fosters constructive relationships among Directors

- **Charles Li**
  - Chief Executive (ex-officio Director)
  - Promotes integrity and probity
  - Ensures effective stakeholder communication

The Chairman, the Chief Executive and other Directors do not have any financial, business, family or other material/relevant relationships with each other.

Induction and Development

Upon appointment to the Board, Directors are provided with comprehensive induction training to ensure that they have a thorough understanding of the Group’s operations and governance policies as well as their role and responsibilities. Every new Board member also receives a Director’s Handbook which contains the Board’s terms of reference, an overview of Directors’ responsibilities, the Guidelines on Conduct and information on other key governance issues. The Director’s Handbook and more information about induction training for new Directors are available on the HKEX Group website [CG].

Ongoing training helps Directors keep abreast of current trends and issues facing the Group, while enabling them to update and refresh their skills and knowledge necessary for the performance of their duties. Directors are invited to attend the Board knowledge sessions, the Board offsite meeting(s) and the International Advisory Council meetings held during the year, at which external industry experts, Council members or senior executives of HKEX are engaged to provide information on various topics of interest, in particular on global strategies, market best practices and the latest market trends and developments. The Directors’ Training Guidelines were introduced in 2019 to assist Directors in complying with the training requirement under the Corporate Governance Code and to ensure that Directors give adequate importance to training and development.
All Directors are required to provide HKEX with their training records, and to confirm their respective records on a semi-annual basis. The records are maintained by the Group Company Secretary for annual review by the Nomination and Governance Committee. During 2019, the Directors received an aggregate of about 502 hours of training by attending or participating in Board knowledge sessions, management briefings and events such as conferences, seminars and workshops on directors’ duties and other topics relevant to HKEX’s strategy and business.

The Chairman also had regular gatherings with other Directors, occasionally without the presence of the Chief Executive, to consider issues in an informal setting.

To facilitate effective oversight and decision making by the Board, HKEX has established the Group Escalation and Incident Reporting Policy to set out guidelines on handling critical concerns relating to the Group’s operations and performance. The Continuous Disclosure and Communication Policy is in place to ensure timely reporting of inside information to the Board and communication with the Group’s stakeholders, which together with other key features of the Board process are available on the HKEX Group website [CG].

**Group Company Secretary**

All Directors have access to the advice and services of the Group Company Secretary. The Group Company Secretary reports to the Chairman on Board governance matters, and is responsible for ensuring that Board procedures are followed and for facilitating information flows and communications among Directors as well as with Shareholders and management.

Joseph Mau is the Group Company Secretary of HKEX. His biography is set out in the Board of Directors and Senior Management section of this Annual Report. During 2019, Mr Mau had over 15 hours of professional training. **Board Delegation**

**Committees**

The list of members of the Board committees is set out in the Board and Committees section of this Annual Report, and their attendance record is set out in “Board Process” above. More information about the Board committees is available on the HKEX Group website [CG/ORG].

Management

Senior executives, under the leadership of the Chief Executive, are responsible for the day-to-day management of the Group’s businesses and implementation of the strategies approved by the Board. The Management Committee, a management decision-making body chaired by the Chief Executive with defined authority delegated by the Board, aims to meet at least twice a month. Its membership as at the date of this report is set out in the Management Committee section of this Annual Report, and its duties are available on the HKEX Group website.

A new Executive Committee, which comprises the Chief Executive and selected members of the Management Committee, was established in February 2020 to supervise and coordinate all key business and operational activities in relation to the implementation of HKEX’s Strategic Plan. Members of the Executive Committee as at the date of this report and their biographies are set out in the Board of Directors and Senior Management section of this Annual Report.

During 2019, several senior executives changes were made to support the Group’s latest strategic focus. Details are set out in the Media Centre (News Release) section of the HKEX Group website. HKEX’s updated organisation structure is available on the HKEX Group website.

The Board recognises the importance of continuity in senior executives and identifying leaders with appropriate skills and experience to support delivery of the Group’s strategic initiatives. Succession planning for senior executives is considered by the Nomination and Governance Committee and the Board annually. A mentoring programme pairing selected senior executives with experienced Directors was launched in 2019 to enhance succession planning and strengthen link between senior executives and the Board.

Given the competitive business environment in which the Group operates, HKEX arranges professional development programmes for its senior executives from time to time to support its long-term growth and success. During 2019, the Senior Management received an aggregate of about 332 hours of training by attending or participating in conferences, seminars and workshops on various topics, including HKEX’s strategy and business, development of the financial markets, regulatory compliance, ESG practices, risk management, information technology, leadership and management. Other employees of the Group also attended training throughout the year. Details are set out in the 2019 CSR Report.
Subsidiary Governance

HKEX is committed to fostering good governance and a strong compliance culture at all levels of the organisation. To ensure an integrated, Group-wide approach towards upholding high governance standards, efforts have been made to strengthen the governance structures and processes of HKEX’s subsidiaries.

For effective oversight of its subsidiaries, HKEX promotes governance linkages within the Group through common memberships between the Board and the subsidiaries’ boards/committees and appointment of HKEX’s senior executives to the subsidiaries’ boards. A list of HKEX subsidiaries’ directors is set out in the Directors’ Report contained in this Annual Report. Details about the governance structures of the Group’s major subsidiaries (including composition and terms of reference of their boards and committees) are available on the HKEX Group website.

Induction training and materials have been provided to subsidiaries’ non-executive directors to facilitate their understanding of the Group’s business and their duties and obligations as a director.

HKEX has implemented a number of Group-wide governance policies, which are subject to review from time to time, to support its commitment to high standards of business, professional and ethical conduct, and to ensure best practices across the organisation. During 2019, all the Group employees were required to complete training on risk awareness and compliance matters.

As a recognised exchange controller, HKEX shall act in the interest of the public with particular regard to the interest of the investing public, and ensure that the interest of the public prevails where it conflicts with HKEX’s interest. Given its role of being the exchange controller and a listed company, HKEX has implemented a number of measures to ensure a level playing field with other listed issuers. These include, among others, the entering into an MOU with the SFC and the Stock Exchange, the separation of the regulatory function, and the establishment of a Conflict Committee.

More information about HKEX’s public and corporate responsibilities and its conflict management measures is available on the HKEX Group website.

The HKEX’s Guidelines on Conduct as set out in the Director’s Handbook also serve to provide guidance for Directors and committee members of the Group on the requirements to avoid conflict of interest and the circumstances under which appropriate action shall be taken by the director in conflict.

Remuneration of Directors and Senior Management

HKEX has formal and transparent procedures for fixing the remuneration packages of individual Directors and senior executives. Information about HKEX’s remuneration policies and the Remuneration Committee, including its work in 2019/2020, is set out in the Remuneration Committee Report.
