List of Funded Projects for 2021

	<u>Project Name</u>	<u>Agency Name</u>	<u>Project Description</u>
<u>Financial Literacy</u>			
1.	Financial and Empowerment Education Programmes for Domestic Workers	Enrich Personal Development Limited	The project aims at increasing migrant Domestic Workers' financial resilience, and empower them to be financially capable in achieving their life goals through educational workshops, Lunch and Learn series seminars and mentorship programme.
2.	Young Mother Money Journey Project	Teen's Key – Young Women Development Network Limited	The project aims at helping young mothers relieve their financial and mental stress by empowering them to become financially independent through trainings on essential financial planning and vocational skill, while providing long-term peer support on the road to realising their personal goals.
<u>Diversity and Inclusion</u>			
3.	Empowering through Learning – Parent-child Language Programme for Junior NCS Students	Oxfam Hong Kong	The project aims at helping South Asia ethnic minority (EM) women and children integrate into their local communities. Addressing the lack of cultural sensitivity faced by EM women and children, the project improves their Chinese proficiency and trains them to be qualified teaching assistants who can deliver Chinese-language classes to younger EM kids in the long-term.
4.	Side with Our Precious	Louis Programme Training Centre Co., Ltd.	The project aims at enhancing the confidence of the parents of SEN/ASD children in home-training, facilitating autistic youth's career development, improving the quality of family time, and raising public awareness of autism through parental trainings, family activities, and workshops on career development.

	<u>Project Name</u>	<u>Agency Name</u>	<u>Project Description</u>
5.	Sports Photography Inclusive!	InspiringHK Sports Foundation Limited	The project aims at encouraging marginal youths and those with Special Educational Needs (SEN) to express their emotions through sports photography, while using it as a channel to develop career interests.
6.	Stand by You – Supporting Cleft Lip and Palate Families	Hong Kong Association for Cleft Lip & Palate	The project aims at supporting families living with cleft lip and palate patients to give the best and appropriate treatments to their kids, and to ensure that the patients receive appropriate care, treatment and rehabilitation services.
<u>Poverty Relief</u>			
7.	Self-serve Food Hub	Bo Charity Foundation Limited	The project aims at strengthening social support to grass-roots by filling in the social service gap between the everyday needs of food assistance and deficiency of operating hours of Charity Partners through developing the first automated 24/7 food assistance centre in Hong Kong.
8.	The Inclusive School Programme	Teach for Hong Kong Foundation Limited	The project aims at enhancing social and cultural inclusiveness on secondary school campuses and facilitating understanding and collaboration among students of ethnic minority/ new immigrant/ low-income backgrounds, while encouraging participants to identify personal strengths and career interests.
9.	Playmobile@ Community	Playright Children’s Play Association	The project aims at providing children with different backgrounds with the chance to engage in recreational activities through setting up community playgrounds and sharing home play tips for stress-relieving. It also support interpersonal development and growth of the participants through physical, sensory and social experiences that playtime offers.
<u>Environmental Sustainability</u>			
10.	Plastic-free Community	Greeners Action	The project aims at promoting public awareness on the importance of plastic reduction through encouraging restaurant patrons in Yuen Long district to bring their own reusable cutlery with a cash-back incentive.
